Continuing Education Credits

Nurses

American Nurses Credentialing Center (ANCC)

Norton Healthcare Institute for Education and Development is approved with distinction as a provider of nursing continuing professional development by the South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This continuing professional development activity has been approved for 1.0 contact hours. In order for nursing participants to obtain credits, they must complete the evaluation and claim attendance by attesting to the number of hours in attendance.

For more information related to nursing credits, contact Sally Sturgeon, DNP, RN, SANE-A, AFN-BC at (502) 446-5889 or sally.sturgeon@nortonhealthcare.org.

Faculty and Planner Disclosure

Norton Healthcare adheres to the American Nurses Credentialing Center's guidelines and standards regarding the influence of commercial support for accredited continuing education as well as the Standards for Commercial Support regarding ineligible company support. During the planning process, all individuals in a position to control the content of the educational activity (planners, presenters, simulation instructors and tabletop exercise facilitators) are required to disclose all financial relationships with ineligible companies and the nature of the relationship. This information is assessed by the Norton Healthcare Institute for Education and Development to ensure an acceptable mitigation of any identified conflicts prior to the activity. In addition, all attendees will be asked to evaluate the speakers' content for bias and balance.

None of the planners, faculty, or any others in a position to control of content have relevant financial relationships with ineligible companies, whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.
